EXALTED RULER

According to Miriam-Webster, Benevolent is defined as: Organized to do good things for other people; Protective: to keep (someone or something) from being harmed, lost, etc. The Benevolent and Protective Order of Elks is an American fraternal order and social club founded in 1868. It is one of the leading fraternal orders in the U.S., the stately elk is, for a distinctively American, intensely patriotic, family oriented organization subscribing to the cardinal principles of Elkdom, "Charity, Justice, Brotherly Love and Fidelity."

I joined over 30 years ago because I wanted to do my little private part and become part of what Elkdom is and what it has to offer. Why did you join? In the short time I've been a member and Officer here in Lompoc, I've seen many new members come in, rarely if ever to be seen again. Not being the sharpest tack in the box, I don't understand this. Maybe someone can explain this phenomenon to me someday.

I'm not, by nature a "raw-raw" kind of guy. If I was, I'd probably be selling hemorrhoid cream or pizza in a cup on late night TV. So I'm leaving the question for you to answer for yourselves and hope you'll find the inspiration to become more involved.

There are various committees and ways to be a part of the Elks, which In turn helps better our community, many committees which need help as well as a place to get together and fellowship with friends and fellow Elks.

This is my article for the month. I'm not going to get all preachy and as for motivation......"Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time" Thomas Edison here, consider yourselves motivated.

Before I forget, I want to thank Melonie Schuyler and the united Launch for their recent contribution to ENF.

Also I owe an apology to George Weber who was Elk of the Month for July instead of the late George Majors. Please for give my error.

Fred J. Duffey, Exalted Ruler

ERRATUM: The Elk of the Month for July should have been:

My choice for Elk of the Month is George Weber. George is always doing whatever job is needed doing around the Lodge. He is very capable and can always be counted on to give assistance on most any project.

I have selected Rodney Eckert as the August Elk of the Month for his outstanding contributions to the Lodge. He can always be counted upon to assist in improving the parking lot and any other maintenance required.

Hi All,

We are big into summer now. Our best weather is yet to come though. Isn’t it great to be fortunate enough to live here? By the time the members read this it will be well in the past but I like to relay the thoughts anyway. Last month I was ranting on about the Elks Lodge being empty again on Friday and then we were full the next week. Maybe I panicked over nothing.

In late June I volunteered at the fireworks sale for a shift. I know it’s only one shift but we get to donate part of our profits to the area of our choice, based on how many hours we worked. I only did one shift but I had a good time. We kept telling Joyce M., we’ll be o.k., don’t worry about us, we’ll be fine. This is easy, we’ve got it. O.K. so then we went and screwed up our first sale and forgot to charge taxes. Oops, we had Mom run home and print out a coupon from the internet because if you spent over $50.00 you could use a coupon for 10.00. Luckily our sale qualified for a discount. Pretty hokey math but we got the till balanced again using the coupon to make the pot right. We even ended up .80 over. Our next customer insisted that we (o.k. not really we, just Ron S.) go over each item and individually figure out the tax on it and then add it all up again and then recheck the check to make sure it was right. He spent over an hour on this one customer. Finally, it was determined that we were right. Ron had his patience intact but I felt this big ‘yippee’ bubbling up in me. I guess it shouldn’t have been a big deal but after botching the first one it was nice not to be wrong. I realize that this was no great feat; we had a machine to add it all up and the prices with taxes all added in already on a list pre-figured for us. I have to admit I have mixed feelings on the whole sale of, and use of fireworks in Lompoc (it could be just paranoia on my part, or maybe something to do with that recent evacuation of people from their homes, hmm maybe I have some rocket science smarts kicking in somewhere). I’m personally against selling them though with our fire season. It was a major fire for us and so early in the season and so close (O.k. — let me step off the soap box before someone pushes me). I did have fun while working though. I shouldn’t be amazed because we always seem to have a good time while working, no matter what the Elks event. Our sales started off a bit slow in sales so we had Patti F. curbside waving fireworks to bring in some business. We did get some business too — I’m not sure if it was due to jumping around waving giant boxes of fireworks street side and getting honked at but we’re not picky and we did a respectable amount in sales on our shift. I guess the sales were easier since they came to us. Usually I am racing down people selling Krispy Crémes, Reverse Drawing tickets, Fund Raising tickets and soon to be New Year’s tickets. The list goes on and on but I think I see people’s eyes narrow now when they see me coming (maybe just my imagination but wait no, I feel the smarts kicking in again).

Think about it, in five more months and 2014 will be history. Time goes by fast when you are having fun, and I really enjoy the things we do for our Veterans. Every month we bring the Veterans from the local Convalescent Care Center to the Lodge for a visit and lunch. This program is doing very well due to all the help I have received from our Lodge Members.

We will be bringing the Veterans to the Lodge on Friday, August 15th for a Fish & Chips Luncheon. Most of the Veterans are not ambulatory so I will need help to push their wheelchairs. It is only for a couple os hours 11:30AM to 1:30PM.

I will be at the Lodge on the 12th of August from 4 to 6 pm to laminate things for you. I can laminate items up to 8" x10".

I must say again “thanks to all of you that have helped on this great program” I could not do it without you.

See you at the Lodge.

J P Hurd Vets Chairperson
Hello Brothers and Sisters of Lompoc Lodge 2274

Well here we are in the month of August and things at the Lodge are going rather well but with a few hick ups but what organizations doesn’t have them. From time to time we go through these ordeals that just makes us stronger don’t you think? Or is that said just to make us feel better during the rough patches. (I Don’t Know)

The fireworks stand did a great job Thank You Joyce and thank you all that had the time to help out. It could not of been done without you all.

The yearly drawing for ENF will be going on by the time this is in your hands. Wish us luck or buy some tickets and I’ll wish you luck. The bar was raised rather high by last years Loyal Knight. Thank you Sherry hope I can pass it or least match it. This year we’re doing a Kegerator Party Pak, hum sounds good.

I know a guy who has a pool table that just might want to buy a lot of tickets for that. In any case let us hope it does good. The drawing will held on February 15th hope to see you there and good luck to all that participate.

Well I’m not going to step upon the soap box this time sorry to disappoint so I’m just going to wish you all a safe and fun filled summer see you at the meeting or at the lounge on Friday night. I’m the guy at the door greeting you.

Mario Santiago, Loyal Knight

Wow, we had an action packed month. The month started with us celebrating the Fourth of July. If you missed our Fourth of July luncheon, you missed a great meal and good fellowship. In the spirit of the holiday, I personally want to thank Joyce Moiha for taking the lead and all of those who help make the Fourth of July fireworks booth a success.

As Elks, we definitely made an impact and good impression to our fellow Lompocians by being a place that families could purchase fireworks. This gave us an opportunity let others know what Elks do for the community.

The praise doesn’t stop here, but I thought the Annual Rummage Sale was another fantastic way to introduce Elkdom to our neighbors. This was my first time attending and I must say that I was surprise at the many interesting items that were for sale. My wife and I walked away with several bags of goodies for our grandsons. Included were the yummy Krispy Kreme donuts sold to help Youth Activities. As a collective group, we sold over 200 dozens. Next year, I’m sure we’ll sell more because I’m going to give you a little secret. Krispy Kreme donuts taste just as good or even better when you reheat them in the microwave for a few seconds. That means you can buy extra dozens, freeze them and enjoy them until your heart is content, That’s what I’m doing as I’m writing this article. Once again, thank you Joyce for your hard work taking the lead with these events and all those who helped as well.

All in all, it takes great Elks like you and I to make our fundraisers successful. I continue to encourage everyone to do what they can to help our cause. If everyone gives a little, the Lodge can give a lot.

With Brotherly Love.
Kelly Montell Sedberry, Lecturing Knight
SECRETARY’S REPORT

The first of August starts the annual two (2) month free Reinstatement period for any former member who was dropped for non-payment of dues. For $1 (not the normal $50) a former member can apply for reinstatement into the Lodge. You will be required to fill out a request for reinstatement and go through the normal investigation and be voted back into the Lodge. You will not have to go to Orientation or Initiation again. So if you know of any former members who were dropped why not ask them if they would like to rejoin our Lodge. If you have any questions, contact me at the Lodge office 736-8866.

I want to thank all the members who paid their delinquent dues for the year. If you haven’t paid your delinquent dues please pay as soon as possible. It costs the Lodge funds to send out delinquent dues notices plus we know you do not want to receive delinquent dues notices.

A big Lodge Thank You to all our members and their families who helped build and decorate the Lodge Flower Festival Float, especially Robert and Chris Copass who supervised the design, build and decoration of the float. We did win the Sweepstakes trophy in the parade. Hope you viewed the parade and saw our beautiful float.

By the time you get this issue the Grand Lodge National Convention will be over and our Lodge representative, PER Sylvia Boynton, will be home and will brief the Lodge at a Lodge meeting in the near future on what happened at the convention.

The Lodge, in an effort to upgrade our internet and wi-fi systems, changed over all our communications (phone lines, wi-ti, Dish TV) from Verizon to Comcast. We switched from Direct TV to Dish TV. Hopefully this will improve our on-line computer networks which were very slow and Verizon did not have the capability to improve it.

BIRTHDAY DINNERS will be served on the 4th Tuesday of each month

AMAZINGLY SIMPLE HOME REMEDIES

With the rising cost of healthcare, these may be handy someday.

1. If you’re choking on an ice cube simply pour a cup of boiling water down your throat. Presto! The blockage will instantly remove itself.
2. Avoid cutting yourself when slicing vegetables by getting someone else to hold while you chop.
3. Avoid arguments with the Mrs. about lifting the toilet seat by using the sink.
4. For high blood pressure sufferers: simply cut yourself and bleed for a few minutes, thus reducing the pressure in your veins. Remember to use a timer.
5. A mouse trap, placed on top of your alarm clock, will prevent you from rolling over and going back to sleep after you hit the snooze button.
6. If you have a bad cough, take a large dose of laxatives, then you’ll be afraid to cough.
7. You only need two tools in life - WD-40 and Duct Tape. If it doesn’t move and should, use the WD-40. If it shouldn’t move and does, use the duct tape.
8. Remember: Everyone seems normal until you get to know them.

Daily Thought: SOME PEOPLE ARE LIKE SLINKIES. NOT REALLY GOOD FOR ANYTHING BUT THEY BRING A SMILE TO YOUR FACE WHEN PUSHED DOWN THE STAIRS

If you can’t fix it with a hammer, you’ve got an electrical problem.

DINING AT THE ELKS

As a member, one should be able to come to Elks dining events and have a good meal for a reasonable price. The members want to support but unfortunately as the meal costs go up the attendance goes down. This is just the opposite of what we want to happen. So how do we bring the cost of the meal down, for both the Elks Lodge and Elks members and bring attendance back up.

We are constantly considering ideas of how to improve both cost and attendance. The objective is to make changes that are in the best interest of all. The prices of some dinners have crept up to where we feel action needs to be taken.

Look to your Elks Tale for the following changes:

• Chicken dinner prices at the Elks will be $9.00.
• In the future we will look to offering a Beef Rib dinner serving 2 ribs rather than three for $9.00. Then offer the option of an additional Rib priced at $1.00.
• Friday night prime rib to be offered in only one cut rather than the two currently offered. Price $17.00.

I AM CALLED GOSSIP

I have no respect of justice, I maim without killing. I break hearts and ruin lives. I am cunning and malicious and gather strength with age. The more I am quoted, the more I am believed. My victims are helpless. They cannot protect themselves against me because I have no name and no face. To track-me down is impossible. The harder you try, the more elusive I become. I flourish at every level of society. I topple governments and wreck marriages. I ruin careers, cause sleepless nights, heartaches and indigestion. I am nobody’s friend. Once I tarnish a reputation, it is never quite the same. I spawn suspicion and generate grief. I make innocent people cry in their pillows. Even my name hisses. I AM CALLED GOSSIP. Office gossip. Shop gossip. Party gossip. I make headlines and heartaches. Before you repeat a story, ask yourself: Is it true? Is it fair? If not - shut up!
AID TO LOCAL HANDICAP

Thanks to our members generosity we have been able to fulfill two recent request for assistance. Your donations helped with acquiring glasses for a young man and a special lift van for another young man in our community.

A special thank you to all of you who supported our Mexican dinner, especially Paula and her crew, Jeanne and Bonnie for the wonderful ice cream dessert bar. The proceeds will assure our stocking the lake at River Park with rainbow trout for the Elks 27th annual Happy Happening. I encourage all members who wish to volunteer their fishing expertise to come out to the lake between 10:00 am and 2:00 pm, September 20, 2014. Our Special Needs community would love to meet you.

Sincerely,
Neil McBratney, ALHC Chairman

ELKS PARTNER TO DONATE LIFE
By KEVIN L. BROUSE
Committee Member

Are you aware that you can potentially: save or improve as many as 50 lives as an organ or tissue donor? Many people on waiting lists never receive the gift of life because of the shortage of donors.

Excuses not to donate — such as: I’m too old; I’m not in good health: my family would he upset — seem selfish or silly when someone you care about is on the list.

Neither age nor many medical conditions disqualify you from donating. The decision to use an organ or tissue is based on strict medical criteria from testing and questions. Trust the medical team to make that decision. Many families say that knowing their loved ones saved some other lives helped them cope with their loss.

I have two step-sons who are alive today only through the generous, loving donations of others hearts.

Twenty years ago, at 17, Jeremy needed a heart as his was severely damaged by a virus. Seven years later, his twin brother, Jeff, whose heart was damaged by the same virus, needed a heart. Those two have given us three of our grandchildren, as life continues through the generosity of others.

Saying you will donate is easy, but the key is to make your wishes known. To ensure that they are carried out, put them in writing and include them in a living will. If someone is designated to make health care decisions on your behalf, make sure he or she knows your wishes. Hospitals normally seek consent from the next of kin before removing organs, but usually are not required to do so if you are registered with your state’s donor registry. You need to:

- Register at your state’s donor registry
- Designate your choice on your driver’s license
- Carry a donor card
- Go to http://www.livingdonorsonline.org/ and become a living donor. Ask your doctor for details.

The above link is not endorsed by the Elks, but it is a good place to start your research, or find answers to questions.

This life-giving gift costs you nothing, but gives a sick person a chance to have a healthy and continuing life.

GRAND LODGE ACTIVITIES COMMITTEE
Antlers add to Lodge Programs
By Norman C Behnke,
Committee Member Area 5

Lodges looking for ways to increase membership, reach out to the community and support youth programs can get a helping hand sponsoring an Antlers program.

The Antlers, made up of youth ages 12 to 20, elect their own President, Vice President, Secretary, Treasurer and Trustees, and appoint a Sergeant at Arms, Guard and Chaplain. Together they can add a new dimension to any Elks Lodge’s community outreach.

Sponsoring Lodges authorize their Exalted Rulers to appoint a five-member Advisory Council to organize an Antlers Lodge. Only 15 people eligible for membership are needed to form an Antlers program.

Antlers members over age of 20 become an advisor until their 21st birthday when they may apply for Elks membership. Between the ages of 20 and 21 Antlers members do not need to pay dues.

Antlers will be required to hold business meetings similar to those of Elks Lodges, with the opening business session and closing.

The Antlers - created by the then - Grand Lodge Youth Activities Committee and approved by the 2002 Grand Lodge Session in Reno - is now a fully functioning program of the Grand Lodge Activities Committee.

Through the Antlers program, Lodges have often grown in membership as the Antlers age into Elks and their parents become Elks through involvement with their children.

Information needed to establish an Antlers program may be downloaded at http://www.elks.org/grandlodge/activities/antlers.cfm.

Publicity generated through the Antlers and similar programs will enable your community to see that “Elks Live - Elks Give”

## NOTICE

This Newsletter is being printed primarily in black and white. This is to reduce the amount of colored toner used. Colored toner costs almost 3 times as much as black. However the Elks Tale in color will be sent to the E-mail recipients and will be in color on the Web Site. If you have an E-mail address and wish to have the Elks Tale sent to that address, please let us know. This will also reduce the cost of postage.
Committee Chairs

To Whom It May Concern

Many will be shocked to find
When the day of judgment nears,
That there is a SPECIAL place in heaven
Set aside for VOLUNTEERS’
Furnished with big recliners,
Satin couches and foot stools,
Where there’s no committee chairman,
No group leaders or car pools.
No eager team that needs a coach,
There will be nothing to staple
Not one thing to cut, fold or mail.
Telephone lists will be outlawed,
But a finger snap will bring
Cool drinks and gourmet dinners
And rare feasts fit for Queen or King
You ask Who will serve these privileged few
And work for all their worth?”
Why all those who Reaped the Benefits
And NOT ONCE volunteered on Earth!
