

Lompoc Elks Tale

Exalted Ruler—Dan Oliveira

Hello all, Hard to believe February is already gone. Thank you all for your participation in the Mardi Gras party, that was a lot of fun. The Lifters performed some great music all the way till midnight. I especially want to thank Lecturing night Dave Oliveira for a great idea and for getting it all together. I also want to thank Debbie Evans for the great creativity on decorating, also Lydia, Lisa Hayes, Amy and Madison Oliveira for the great job getting all the decoration done.

On March 17th, St Patrick's Day we will have the Lifters back for a good ole St Paddy's Day celebration, this just happens to fall on CYO night, come down and have some fun with us, we will be in the ballroom that night. I would appreciate everyone coming down to enjoy this beautifully done room, it's warm and inviting most of all there's plenty of room. We might even have a special Irish surprise that night, don't miss out. We are still looking for individuals interested in becoming an officer in the lodge. If you think, you might be interested and maybe have some questions please contact me and I

will answer your questions. We are trying to work on an entertainment schedule that the members can rely on. Michael and I are working on an entertainment budget that will afford the members entertainment regularly throughout the year. However we also need your help to make it successful. I know I sound like a broken record on this but all of these volunteers are what make these functions and activities possible, and all of the members that support these functions and activities enable us to perform our charitable works. That's all for now, fraternally yours - Dan

Esteemed Lecturing Knight—David Oliveira

Greetings, What made you decide to become an Elk? A friend, family member, business associate or was it wanting to be part of an organization that helps the community? For each one of us it could be quite a number of reasons.

With a new year and new challenges ahead, please think about getting involved. Ask one of your officers how you can help, would be surprised! You may have an idea for an event that all would enjoy!

The next few months will be pretty hectic but together all things are possible.

Remember your manners when dealing with staff and each other. If you bring a bottle of wine into the Lodge, the bar has to cork it. Tables are not permitted in the hallways, and always remember to sign in your guests and if you leave for some reason your guests must leave. Ok, I will get off my soapbox for this month.

Remember, to always practice, Brotherly Love! Learn to see with your heart the things your eyes cannot

Fraternally, David

Esteemed Leading Knight—Sherri Giovanacci

Hello All, It's coming to the end of a great year and we are ready to venture into a new one (1 April). Please come join and support us! We have a strong lodge in Lompoc, which is built strong by all members now serving and those who served before us. I love it when a visitor comes to the lodge and asks for a quick tour. I take pride in acting as their tour guide to show them what we, as members, have built here. Visitors are sometimes shocked that we have

the room filled to capacity for our events. They love it that we all know each other in this close knit community. We have a beautiful lodge and great facilities! In the meetings when I hear our bank balances, it is apparent that we have had active participation and strong leadership in the past—in which we are financially solid and are doing well. It happens because of all of us working together. Let's charge into the New Year with gusto! Come support! There are so many fresh new ideas for fund raisers, dinners, activities, and events. They are proving to be very popular and are growing as more people ex-

perience them. Active participation and support, since the earliest days of the Order, have been among the many hallmarks that make the Benevolent and Protective Order of Elks rise above other fraternal organizations.

Sherri

Secretary—Gene Schaefer

Hope everyone got there 2017-2018 Dues notice. We mailed the notices in early February. You can pay cash, check or use your Debit/Credit card to pay your dues. You can drop your payment at the bar or Lodge office. Remember your dues went up \$.50 this year. Regular dues are \$148.50 and not \$148.00, Life members \$85.50, not \$85.00. So don't forget to add the \$.50 to your payment.

We will drop all the 2016-2017 delinquents members by March 15th. Remember if you are dropped you have two (2) months to request reinstatement free if you pay your back year **and the coming year dues. We really don't**

want to drop you, so come in and talk to us, so we don't have to drop you.

We tried hard to have the Lodge reach 1000 members again, but fell short. We will make the National goal of +1. Congratulations to all of you who recruited new members or reinstated old members. Keep up the good work. Recruiting is the Life blood of any Lodge.

Congratulations to our new Officer Corps. May you all have a great year.

Remember also the Lodge Membership Pin night is Tuesday, 21 March 2017. List of members getting years of membership pins is in the bulletin. Attend the meeting and receive your pin. -Gene

Veterans National Service Report— John P. Hurd VETS Chairperson

The New Elks year has now started and I will be your Veterans Service Chairperson again. This program has always been very dear to my heart.

Due to bad weather VETS PUSH for February was canceled, I didn't want them getting a cold. This months PUSH will be on the 17th of March from 11:00 to 1:00 pm. Come help me on this GREAT program. It will make your day!

I'm still recycling aluminum cans and lamination up to 8" x 12".

An old Chinese Proverb says;

"Its easy to be wise after the event"

See you at the Lodge.

Notice to Committee Chairman

It is necessary that all committee chairpersons provide a budget to the Board of Directors each fiscal year!

The fiscal year is from April 1 to March 31. The board needs to have these budgets no later than March 15, so they can be incorporated into the Lodge Budget and be presented to the membership no later than the last meeting in April. You may turn your budgets in to the Lodge Secretary at the front office and he will ensure that we get them.

I will also conduct a special budget meeting at the Lodge meeting room on Wednesday, March 15, 2017 at 7:00 pm for any Chairperson who wish to discuss their budgets.

Thank you for your help!

Jim Martin – Chairman Board of Directors.

A note from Joyce!
Print Shop hours have changed.

Elks of the Month
February—John Larsen

**Come join us every
Wednesday Night!**

ALONE OR TOGETHER?

There are many things you can do alone. You can walk alone, you can read alone, you can sleep alone. But, you can't run a Lodge alone. It requires volunteers to cook dinners, organize and run social functions, do maintenance work, serve on committees and to serve as chair officers, set up tables, run bingo, etc., etc. Have you ever tried to pick up a table by yourself? You can't do it! If one other person helps you, it's easy! If a couple more help, it's a piece of cake! Remember....

MANY HANDS MAKE LIGHT WORK!

2017 Mardi Gras—Thank you - Debbie Evans for the great Decorations.

ELKS LEADING THE WAY FOR 149 YEARS!

Elks were founded on February 16, 1868

Local Elks Lodges throughout United States and in Guam, Puerto Rico and the Panama Canal celebrated 149 years of community service on February 16, 2017.

Last year alone, the Elks donated approximately \$283 million in cash, gifts, and time to make our communities better places to live. The Elks are one of the premier patriotic and charitable organizations in the United States of America.

Elks volunteers will visit thousands of hospitalized Veterans who have **protected our freedom**. Elks vow, "So long as there are Veterans, the Benevolent and Protective Order of Elks will never forget them". Elks support both active military forces and retired veterans. Elks furnish food, comfort care items, therapeutic items, gifts and host holiday celebrations and recreational activities at bases and hospitals, and stand ready to fulfill **any need when called upon**. Elks' contributions to the nation's heroes provided more than \$32 million to more than 300 Veterans Administration Medical Centers, clinics, and state care facilities. Elks have entered into a partnership with VHA to support efforts to rescue homeless Veterans in their communities. To this end, Elks have pledged \$4 million dollars to help end Veterans Homelessness.

Annually, Elks award college scholarships across the nation totaling more than \$4 million.

Elks' community Investments Program (grants) will award nearly \$10 million towards enriching our communities.

There are more than 1,900 Elks Lodges across the country with a total **membership nearing 800,000**. Elks' members must be American citizens who are at least 21 years of age and must believe in God.

Bingo Chairman—Janet M. Gurley

For me to thank everyone that volunteered in so many ways, helped and supported BINGO through out the years, THANK YOU, I would need the whole Elk's Tale to list everyone individually.

As Chairman, this program has been very rewarding to have everyone here. BINGO signs, banners and flyers made a huge impact in **letting our community know we've been here for them**. All of you have been so awesome! The bake sales went off without a hitch – which of course was successful due to ALL those great bakers. So many people broke their New Years Resolutions and indulged in yummy treats. Food Sales out of the kitchen went to the "Back Pack Program". I hear people really liked their bacon wrapped hot dogs.

Entrance fee once again was \$5 - this went to Door Prizes, Gifts, Food for programs offering goods and more. Several guests were quite pleased to yell BINGO! All told a total of \$2,340 was won that afternoon.

We welcomed 41 guests (for our last BINGO this year) who certainly enjoyed their afternoon, delicious lunch, yummy treats, and the beautifully updated Ball Room - many of the guests commented on how nice it looks (nice advertising to let community know we have wonderful facilities for them to rent).

BINGO really needs 100 guests to be self-sustaining, payouts are based on sales of each game - more guests the larger the payouts. Bingo will be held again next year. For BINGO to continue t his year - You can make it possible – be the new BINGO Chairman. **You would be able to decide how you wish to run it, when you wish to hold it as well as the time(s)**. Sky's the limit! New blood might bring in new crowds.

I'm grateful and feel so blessed to have volunteered with you. Again, Thank you ALL! Janet M. Gurley
